## PARTICIPATION DISCLAIMER

### HOW CAN WE IMPROVE FOR EVERYONE?

**Are you new to Huish Leisure?**

**Has anything changed that we need to know about?**

Here at Huish Leisure we offer a fantastic activity programme which ranges in levels of intensity. To ensure your safety when participating we must be made aware of any new circumstances where the activity could become a potential risk factor. This is your responsibility. Circumstances include;

- Pregnancy - *during and after*
- Medical Conditions - *new and existing*
- Injuries - *new and ongoing*

If you're unsure about the activity and its suitability, please speak to a coach, instructor or Duty Officer before booking your space. Some activities are not suitable during pregnancy or with specific medical conditions or injuries and coaches and instructors will turn customers away.

Terms and Conditions excerpt;  
**6 Limitation of Liability**

**6.1** *All exercise classes are attended at Member's own risk and Members should seek professional medical advice prior to any activity. Huish Leisure shall not be held liable for any injury to a Member caused by any exercise or activity in the Leisure Centre. Members shall ensure they have with them at all times any medication they may need to participate in any exercise or activity within the Leisure Centre. For the avoidance of doubt, Huish Leisure shall not be held responsible for any medical condition that is exacerbated or caused by activities in the Leisure centre, and Members shall participate at their own risk.*

**Thank you for your support.
